

**This is What Major
Television Manufacturers
Have to Say About
Installing Their TVs Outdoors**

SONY

“Do not Install this TV outdoors.”

“Do not install the TV where insects may enter.”

SAMSUNG

“Do not expose this apparatus to extreme temperature conditions or to extreme humidity conditions.”

“Accumulated dust can cause an electric shock, an electric leakage or a fire ”

LG

“Do not spray water or liquids directly on the TV as electric shock may occur.”

“Do not expose to dripping or splashing.”

SHARP

“Servicing is required when the apparatus has been exposed to rain or moisture.”

PANASONIC

“To reduce the risk of fire or electric shock, do not expose this apparatus to rain, moisture, dripping or splashing.”

VIZIO

“Do not install your HDTV in an area with heavy dust or high humidity.”

“The manufacturer’s warranty does not cover user abuse or improper installations.”

We think you should listen to them!

Introducing

Model 4660HD

Now you can bring the home theater experience to your backyard for a whole lot less, with SunBrite’s new 46-inch 1080p full-HD LCDTV

SunBrite introduces the all-new Model 4660HD that is designed with a sleek ASA outdoor-rated plastic resin exterior and powerful integrated speakers. Engineered with SunBrite’s signature all-weather design, this TV is protected from rain, snow, insects, dust, moisture and extreme temperature ranges from -10° to +122° F.

- 46-inch diagonal TFT Active Matrix
- 1920 x 1080 Full-HD 1080p
- Available in Silver and Black
- Dust Cover Included
- Two-Year Warranty

SunBriteTV’s all-weather design is safety-tested and certified for outdoor use.

Don’t worry...it’s a SunBrite!

Model 4660HD

An Unprecedented Value at a Compelling Price!

Because not every homeowner requires extreme protection in an outdoor TV, SunBrite introduces Model 4660HD. Taking great care, SunBrite developed this model to provide the same superb viewing quality and weather-proof features that the industry has come to trust and respect, and have eliminated the features that may only be required in extreme climatic regions. Check out our features and specifications to see if Model 4660HD is right for your backyard!

- Extra bright 46-inch full-HD 1080p LCD screen is integrated into an all-weather ASA outdoor-rated resin exterior that protects the internal components from rain, snow, dirt and insects.
- Multi-fan Airflow System keeps the TV cool and dry in temperatures up to 122 degrees F.
- Innovative Water-tight Cable Entry System with pass-through design keeps cables dry and allows for simplified connectivity.
- IR input control and concealed IR window in rear cable compartment.
- Includes Outdoor Dust Cover.
- Available in Silver and Black.

All measurements are in inches
